SS

TREATMENTS  
&  
COURSES

The background is a classic marbled paper pattern, featuring intricate, swirling veins of light beige, cream, and pale brown. The pattern is dense and organic, resembling natural stone or water marbling. In the center of the page, there is a faint, circular vignette or watermark, which appears to be a stylized floral or heraldic design, though it is not clearly defined. The overall tone is warm and elegant.

A GLIMPSE INTO  
OUR ESSENTIALS

Beauty & Bliss  
are  
Our Essentials

At ESS Wellness & Aesthetics, we strive to transform the perception of visiting conventional clinic to deliver the best experience combining skin expertise with elegant spa ambience, without compromising any quality of medical standards and results.

Situated in the heart of Ekamai, ESS Wellness welcomes urban residents for a beauty getaway among our peaceful green garden and a personalized set of healthy afternoon tea.

*It's time to experience the new era of wellness living with ESS Wellness & Aesthetics.*

ANTI-AGING  
EXPERTISE

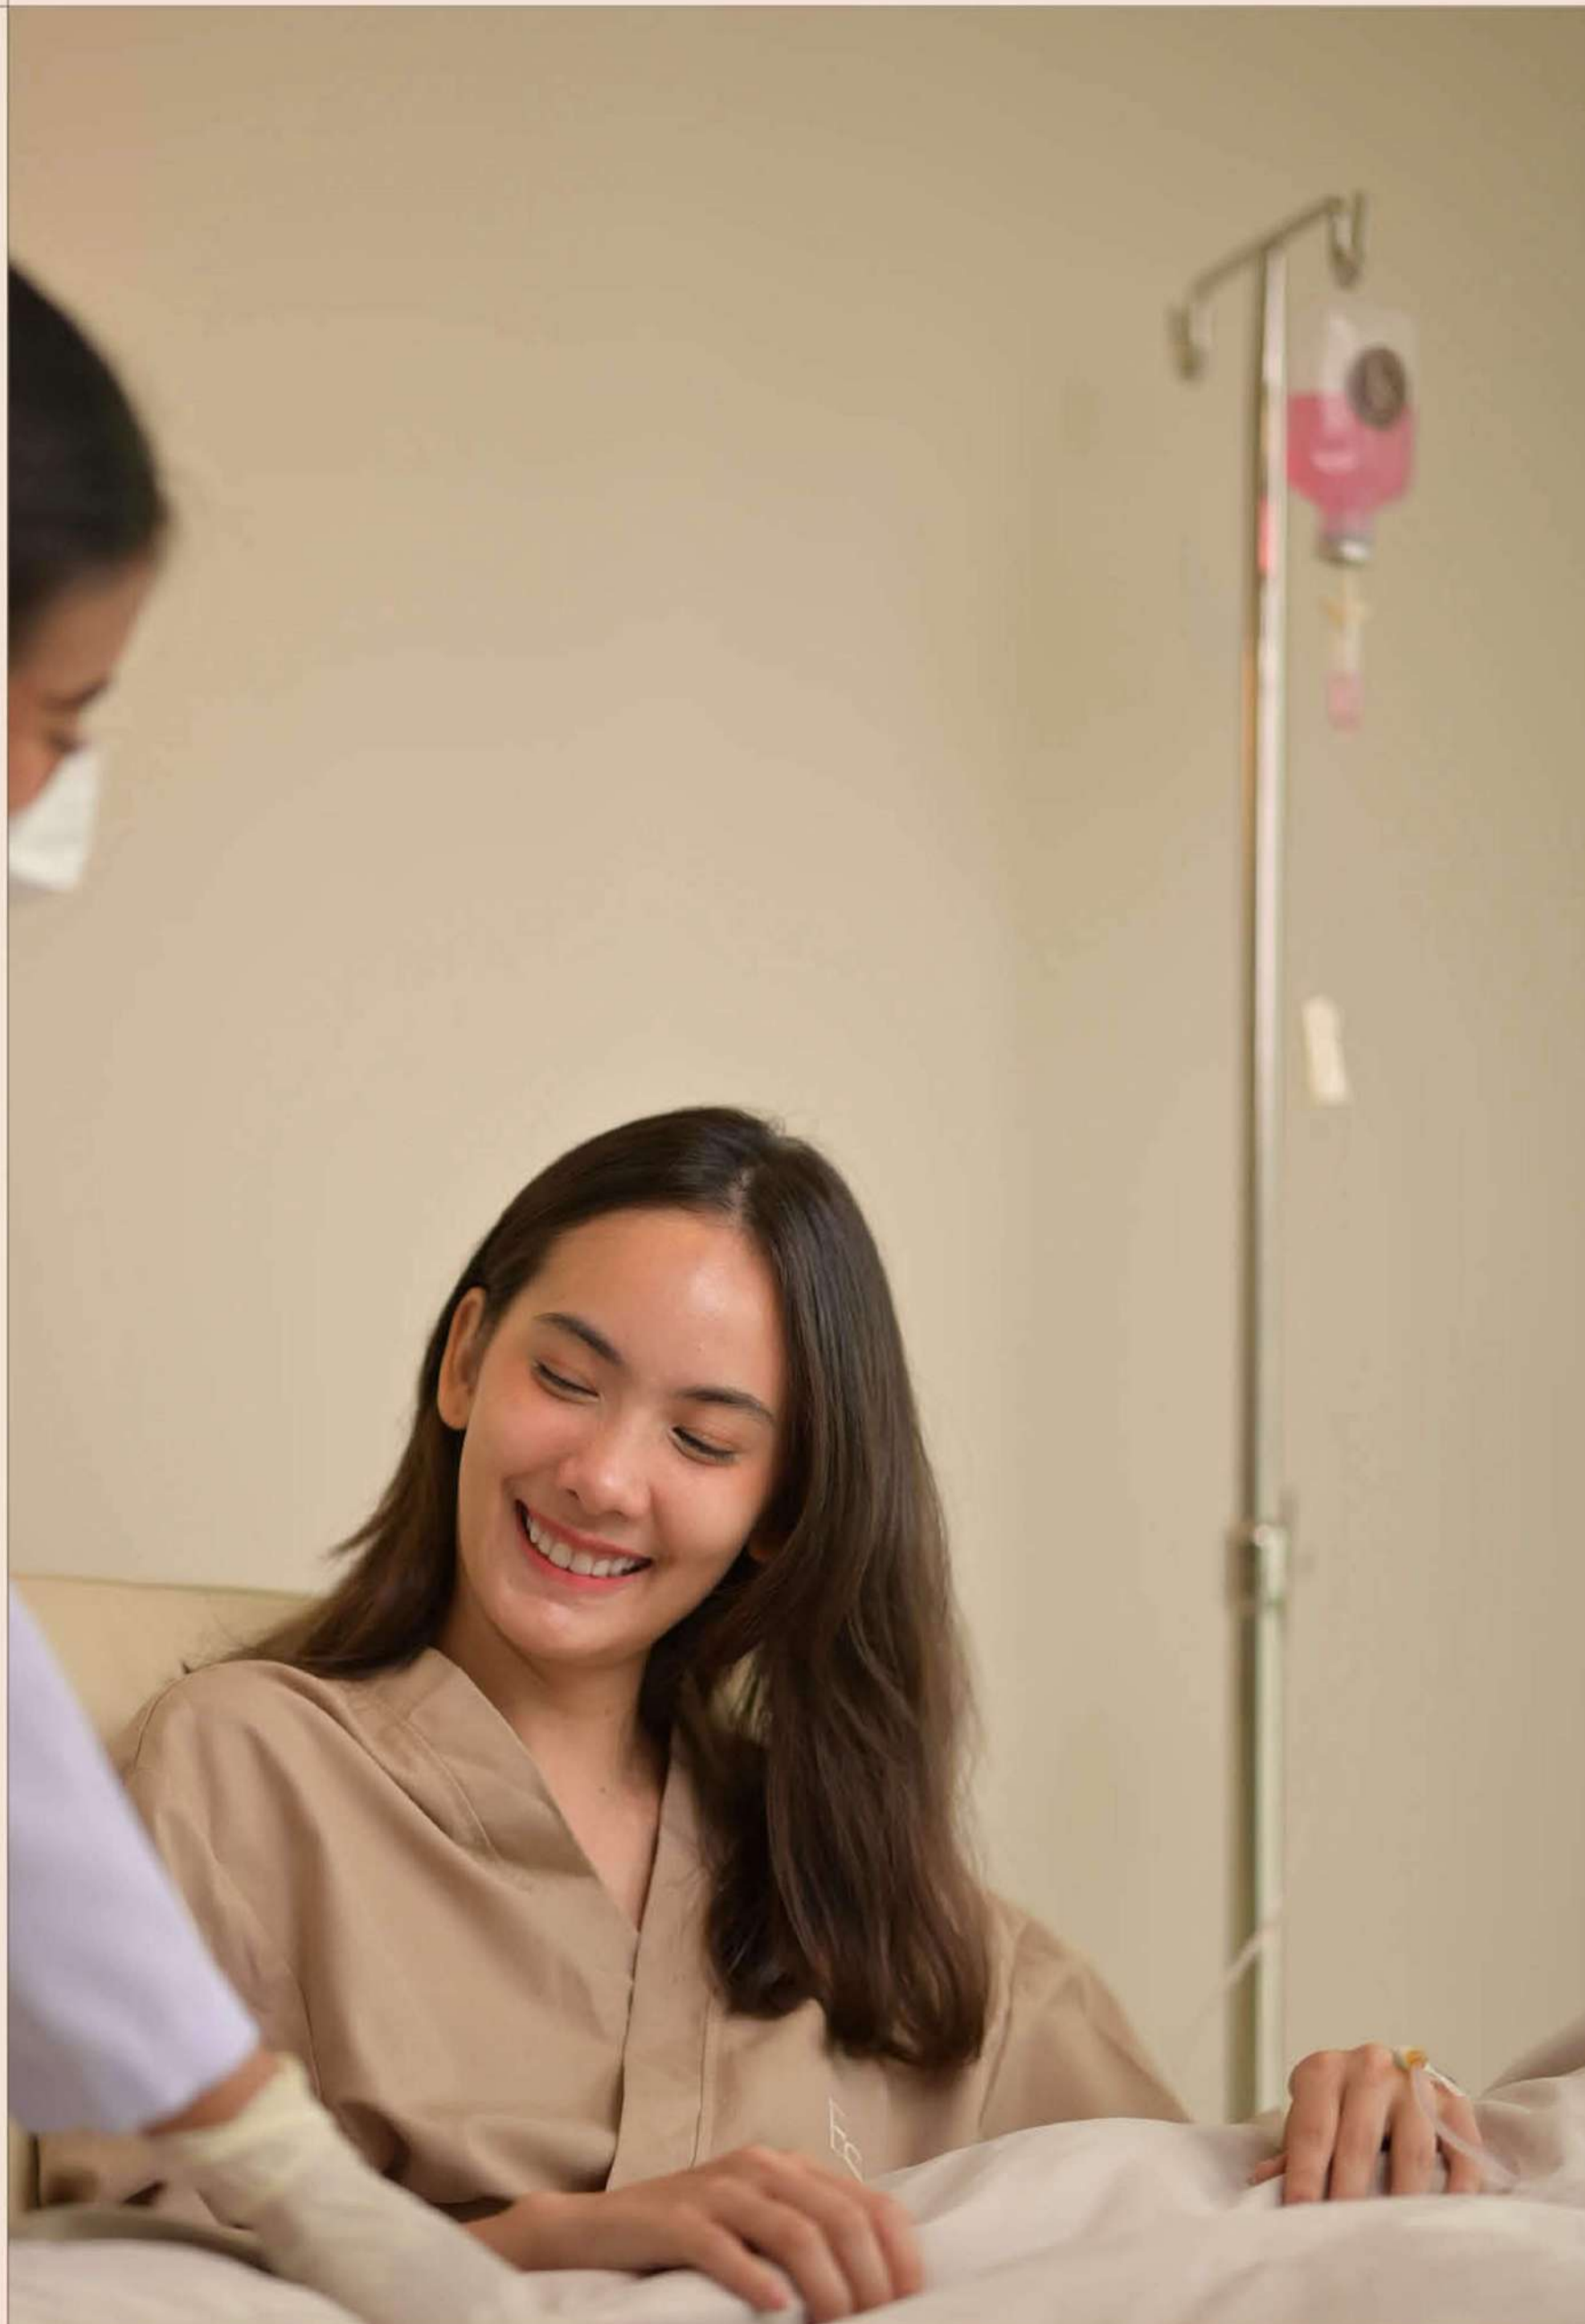

## STEM CELL THERAPY

Stem Cell Therapy is the ultimate *Fountain of Youth*, tackling skin problems namely wrinkles, dark spots, acne, and pigmentation as well as harmful skin diseases by rebalancing your whole body. When the under-skin cells are full of complete nutritive cells, it will enhance skin rejuvenation as age reversal.

Stem Cell Therapy is suggested as a long-term solution to your body from the inside out using a natural system that guarantees safety and visible outcomes. MSC stem cells injected through the process acts as a multipurpose fix to regenerate new cells inside our bodies in parts where it is most needed.

BIOLOGIQUE  
RECHERCHE  
PARIS

Founded in the late 1970s by a family of artisanal skincare experts, Biologique Recherche came about through the passion of biologist and physiotherapist duo Yvan and Josette Allouche. They devised an exclusive, customized methodology of cosmetic treatments adapted to every Skin Instant<sup>®</sup> and based on products with a high concentration of active ingredients.

*All Biologique Recherche's treatments are guaranteed personalized.*

# SKIN INSTANT<sup>©</sup>

*THE BASIS FOR BUILDING BETTER SKIN IS  
TO KNOW YOUR SKIN INSTANT<sup>©</sup>*

**Duration : 20 Minutes Price : 2500 THB**

**BIOLOGIQUE  
RECHERCHE**  
PARIS

## **Skin Instant<sup>©</sup> Lab**

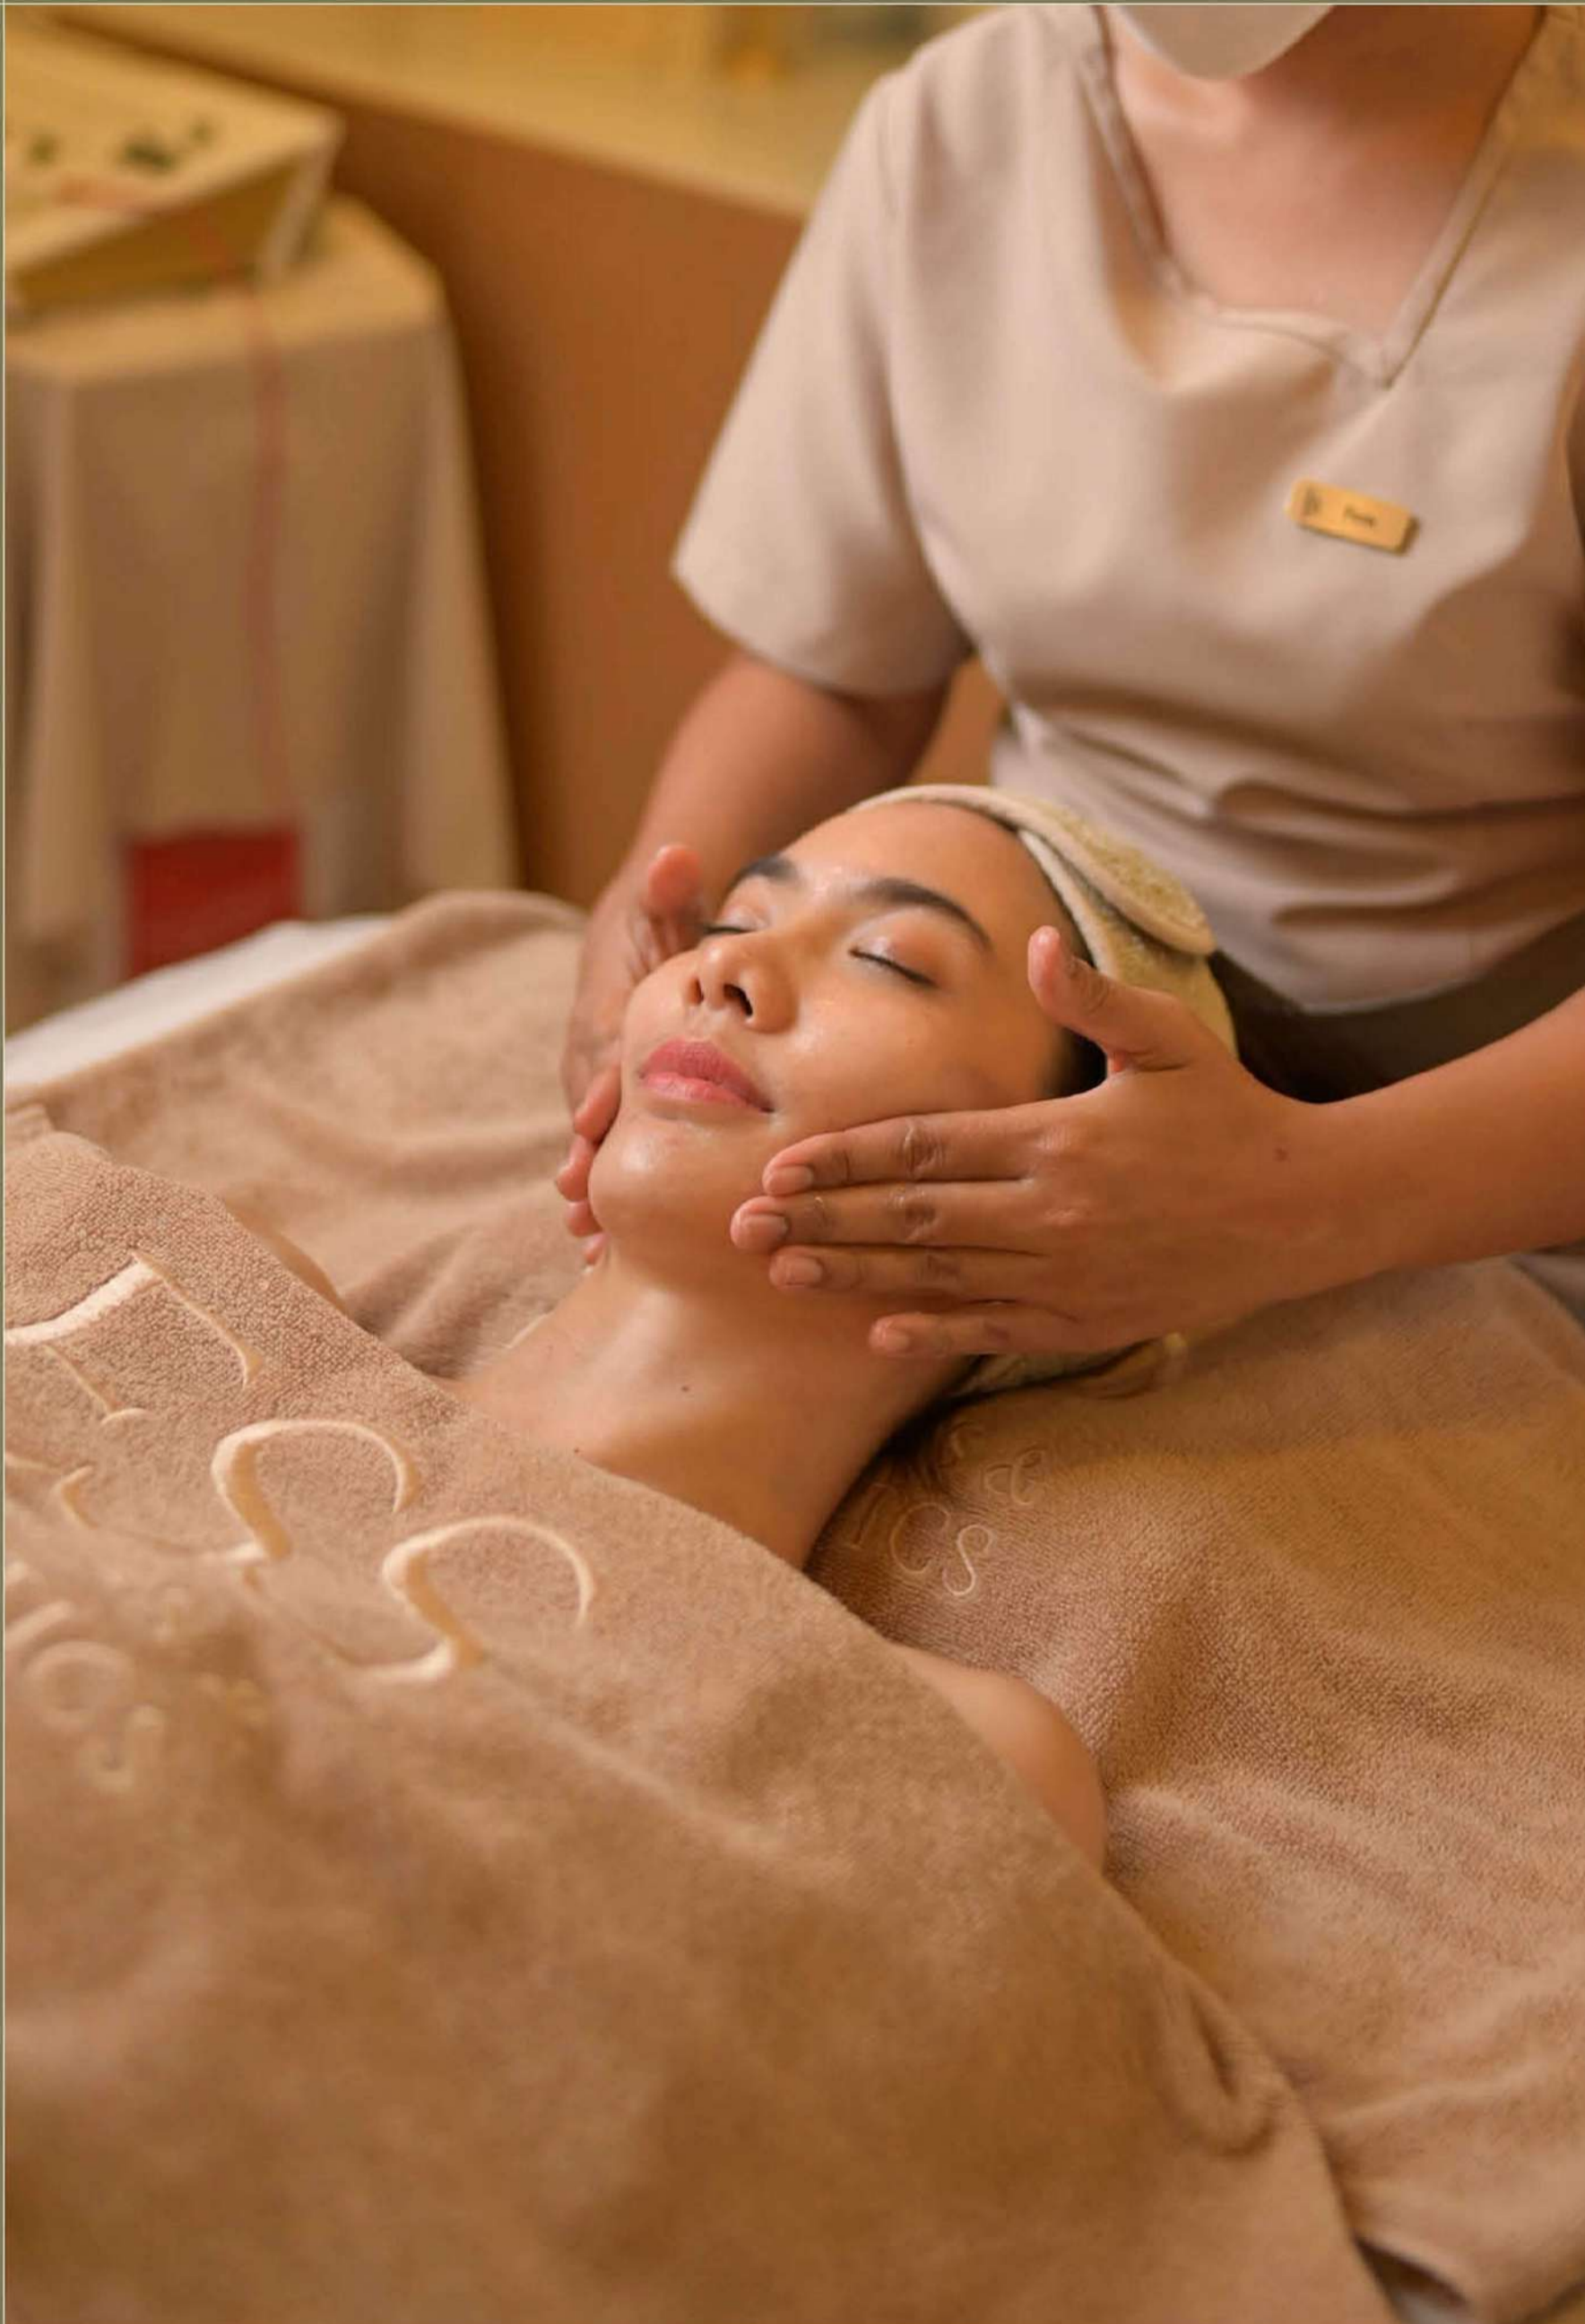

This first stage of the Biologique Recherche Methodology is a unique diagnostic tool that identifies your Skin Instant<sup>©</sup>. The Skin Instant<sup>©</sup> Lab consists of 5 scientific measurement probes

Based on an expert's dermo-cosmetic analysis and taking objective measurements, the Skin Instant<sup>©</sup> Lab – drawing on the Biologique Recherche database – offers a selection of Biologique Recherche products and treatments that perfectly match the Skin Instant<sup>©</sup>.

## **VisioLab<sup>©</sup>**

Perfectly complementing the Skin Instant<sup>©</sup> Lab, VisioLab<sup>©</sup> is a tool that scientifically photographs the face in high resolution and then analyzes its components.
