ESS Wellness & Aesthetics

ESS WELLNESS SIGNATURES

Cell Therapy

The ultimate regenerative method recognized by practitioners worldwide. MSCs replace decayed cells and maintain healthy cellular functions which will enhance skin rejuvenation and age reversal effects. Available for both face & body.

ESS Essentials Skin Booster

Revitalize your ultimate glow with ESS Wellness' secret formulas that nourish, hydrate, and bring out your radiance that makes all heads turn.

Augustinus Bader Treatment

The first official wellness partner of Augustinus Bader in Thailand. Experience the cellular renewal TFC8® effect with our signature massage techniques.

ESS Escape

No time? No problem. Have your facial treatment and IV Drip at the same time. Our house treatment uses natural ingredients and is suitable for all skin types. Customize your choice of treatment & IV with our specialists.

IV Drip NAD+ Therapy

Nicotinamide adenine dinucleotide (NAD) is a coenzyme central to metabolism. It slows down the the degeneration of cells and essentially gives the body more energy to function properly, making you feel well rested and refreshed.

Biologique Recherche Treatment

Personalize your treatment with our selection of 50+ products of high concentration and active ingredients that are chosen for your skin concern.

ANTI-AGING
EXPERTISE

CELL THERAPY

Enhance your beauty & quality of life with Cell Therapy.

For the safety of our guests, we only use Umbilical Cord Mesenchymal Stem Cells (UC-MSC) that align with International Society of Cellular Therapy (ISCT).

Cell Therapy for Face method tackles skin aging problems, from wrinkles, acnes to dark spots and pigmentation by rebalancing your skin cells. When used in IV form, Cell Therapy for Body method will enhance body organs function, which results in age reversal effects and ultimate rejuvenation.

Every Cell Therapy at ESS Wellness is derived fresh on the day and comes with its own Lab Report & Doctor Explanation, so it is 100% guaranteed that you will receive the best treatment.

Available for both face & body

SKIN EXPERTISE

SCULPTRA®

THE FIRST AND ORIGINAL COLLAGEN BIOSTIMULATOR

Sculptra consists of micro particles of a substance called PLLA, Poly-L-Lactic-Acid. When the micro particles are injected into the skin, they gradually stimulate the skin's natural production of collagen, thereby renewing it's natural firmness.

- Guarantee gradual, natural-looking results
- Stimulate collagen production.
- Provide long-lasting effects

This FDA-approved injectable subtly and gradually helps restore facial volume.

50,000 THB

ULTHERA

Ultherapy is the only FDA-cleared, non-invasive procedure that lifts the neck, chin and brow, and improves lines and wrinkles on the upper chest.

Through the ultrasound imaging with Ultherapy, energy is delivered precisely to the place where it will benefit you most—for natural-looking results that improve over time.

Recommended Course	Price
1-2 session / year (subjected to individuals)	Personal Consultation

SKIN BOOSTER

Enhance your skin texture, quality, and appearance with our personalized corrective nutrients ranging from natural Hyaluronic Acid (HA) to regenerative Growth Factor. Our skin booster treatment guarantees a solution to every skin concern.

Recommended Course	Duration	Price
4-5 times for the best result (subjected to individuals)	90 minutes	6,900-39,000 THB

SKIN BOOSTER

Choose your perfect program
